[2] Sheet M1 & M3 Mechanical notes

Omit the notes requiring PVC ductwork and in lieu thereof furnish and install insulated double wall galvanized spiral duct equal to dual wall pipe by Spiral Manufacturi9ng Co., Inc. with solid liner in sizes indicated.

QUESTIONS:

[1] Question concerning HVAC Controls.

HVAC Units shall have controls designed to tie back into and be managed from the Owner's Existing HVAV Management System..

[2] Question concerning Fire Alarm System.

Fire Alarm System in the existing building is being installed under a separate contract with the Owner. Fire Alarm for the New Building is an extension from that new FAC panel in the Existing Building to the New Building. The panel indicated in the new building should be a remote annunciator panel only..
