

**Fiber Bore, Conduit & Handhole Installation and Pulling Fiber  
Craven County NC**

Craven County is seeking informal quotes for a fiber boring project in New Bern, North Carolina. Attached is an aerial map of the locations and route.

Interested parties have until 2 p.m. on Wednesday, July 22, 2015 to submit a quote to:

Dennis B. Holton, IT Director  
Craven County Government  
406 Craven Street  
New Bern, NC 28560

Phone: 252-636-6609  
Fax: 252-636-6638  
email: [dholton@cravencountync.gov](mailto:dholton@cravencountync.gov)

Questions regarding the quote, project or to set an onsite visit should be directed to Mr. Dennis B. Holton.

The bore is estimated to be 1,360 feet and will tie an existing handhole on Queen Street, at the New Bern Police Department, to a new handhole supplied and installed by the successful bidder at the Craven County Senior Services Center located at 811 George Street. The size of the supplied handhole shall be 36x24x24, and located next to the building.

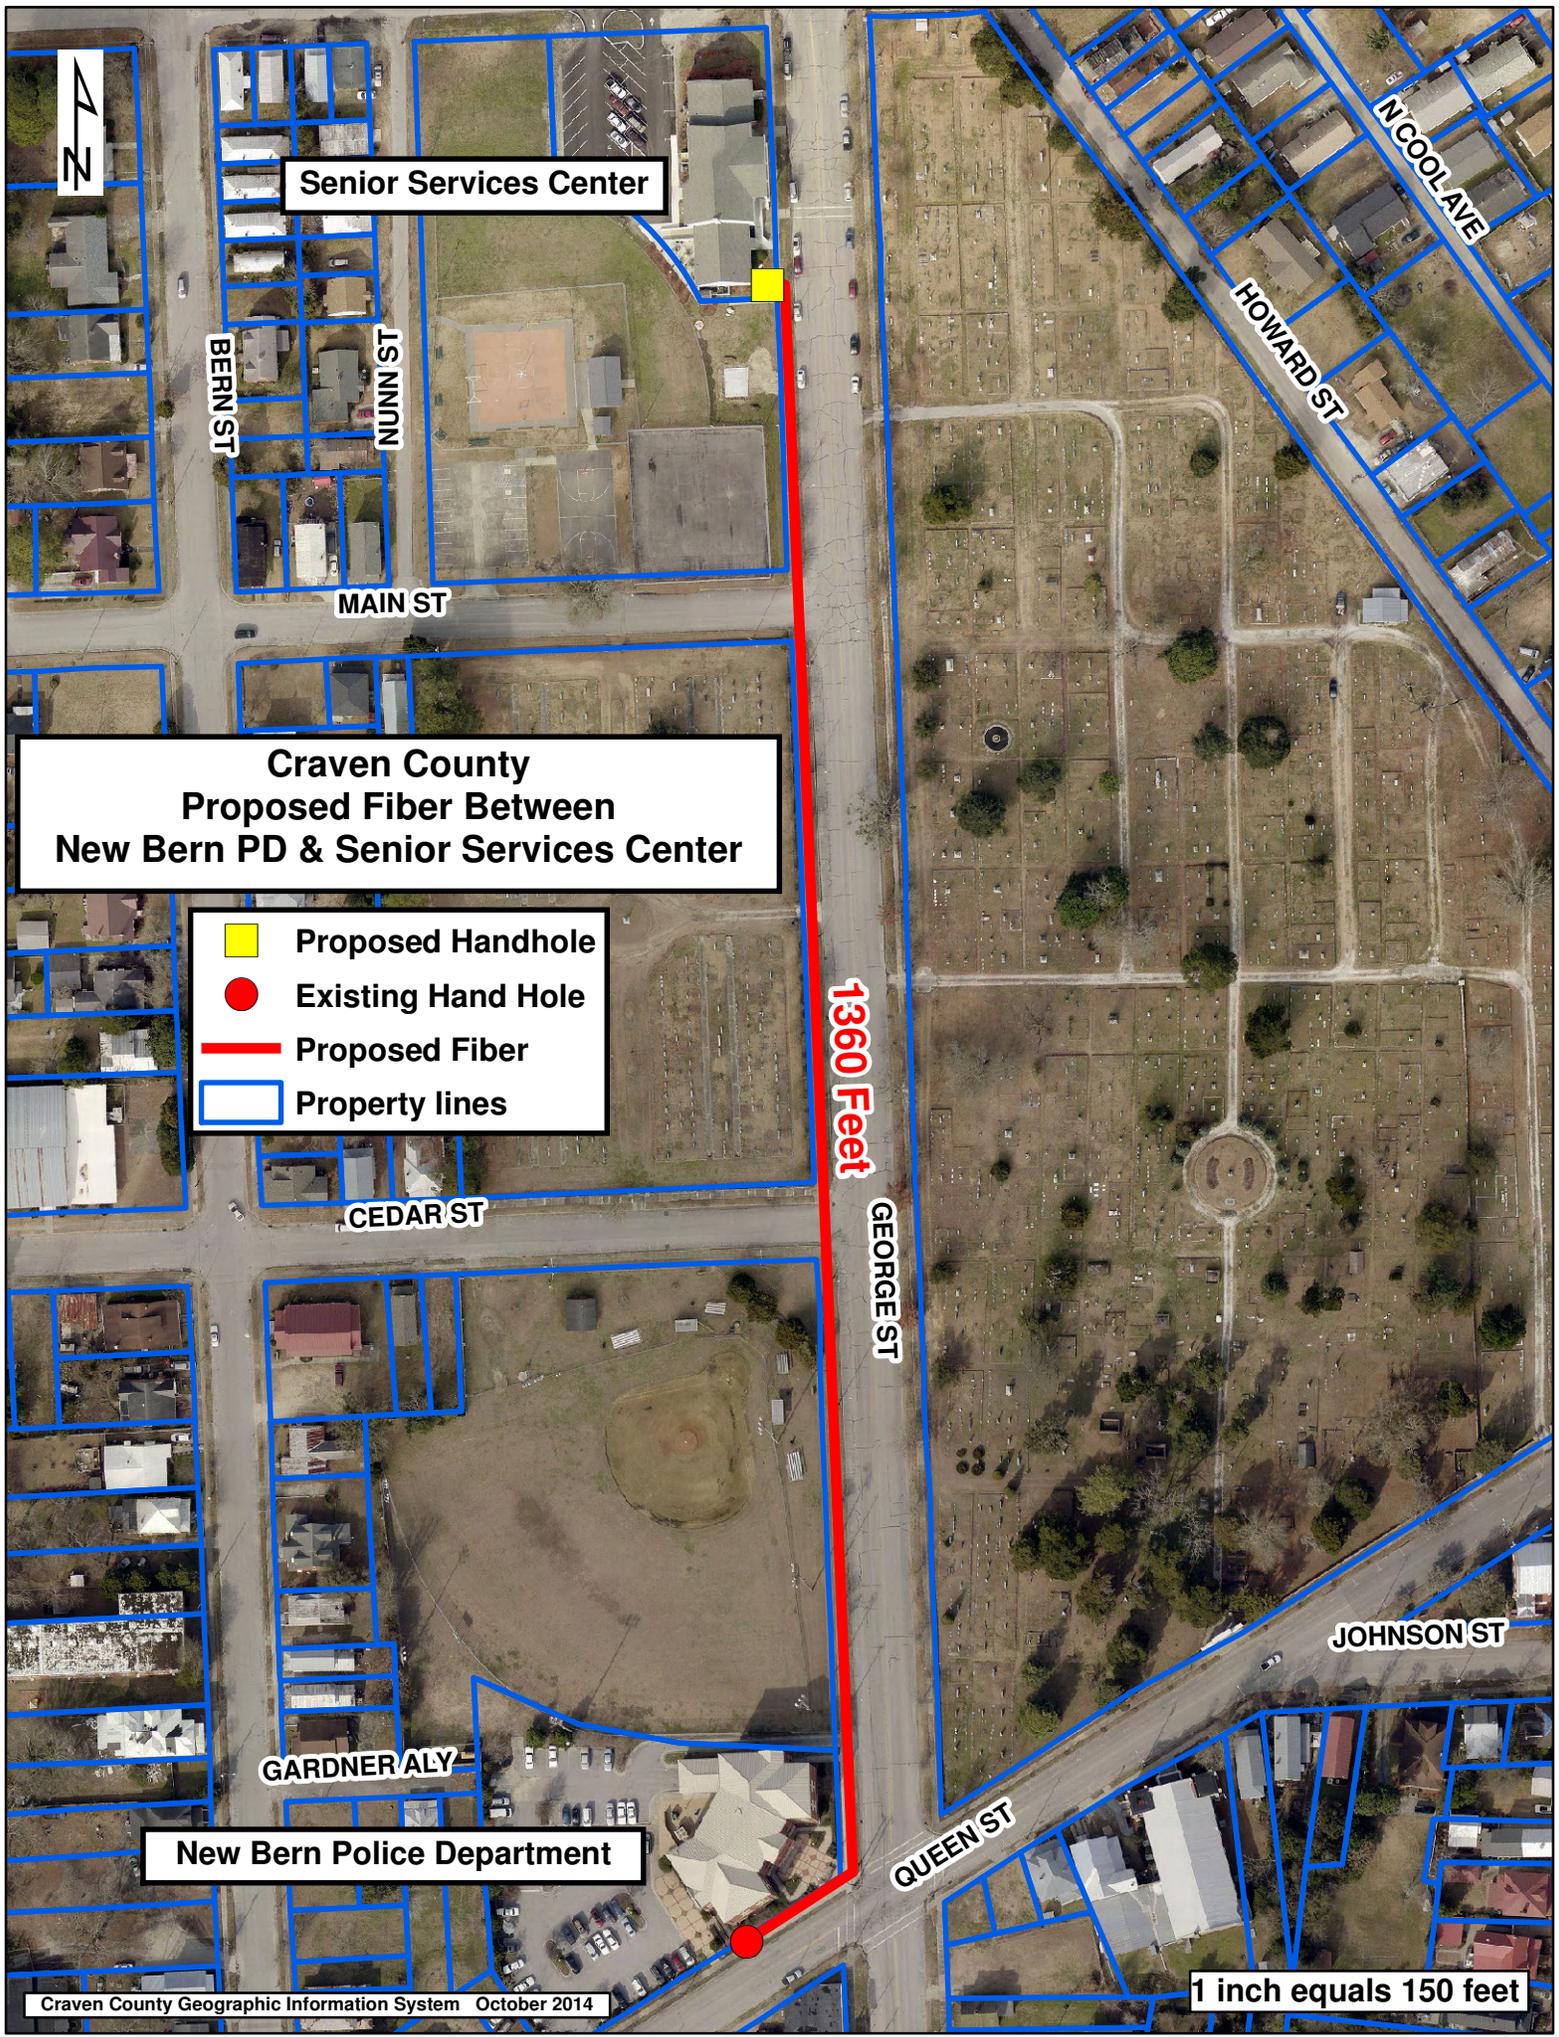

A conduit of at least 1.25 inches in diameter shall be installed between the two handholes, and contain a pull string sufficient to allow pulling of a fiber optic cable the length of the conduit.

The successful bidder is to pull a county supplied fiber from one handhole to the other, leaving 100 feet in each handhole.

The successful bidder shall be responsible for scheduling all locates, necessary permits, insurance and any other requirements to perform the required work.

Disturbed property shall be returned to its original state, or as close as possible. Holes, broken pavement, curbing or other infrastructure damages will be repaired by the successful bidder of the project.

Quote should include price for all items, estimated start date, duration of work and contact info of the bidder. Quotes may be emailed, faxed or mailed.
