#### Helpful Hints

- ✗ Empty & rinse all cans, bottles and containers. They don't have to be spotless but clean containers help eliminate odor and mess from your storage space.
- ✗ It is not necessary to remove labels.
- ✗ Steel can lids should be put in the empty can. All other lids & caps are not accepted in the recycling bin.
- ✗ Step on your plastic containers. Flattened plastic takes up less space in your recycling bin.
- ✗ A heavy object placed on top of your recyclables will keep them from blowing away on a windy day.
- ✗ Paint cans must be empty and completely dry with lids removed.

Recyclables and garbage need to be placed out for collection before 7:00 a.m. on your scheduled collection day. If your collection day falls on a holiday observed by this program your garbage and/or recyclables will be picked up the following day. Observed holidays include, but are not limited to, Thanksgiving Day, Christmas Day and New Year's Day. Please call this office for confirmation of any schedule changes.
