

February 2, 2016

To Interested Contractors:

Craven County is soliciting written proposals from qualified contractors to perform the hauling of Solid Waste and Recyclable materials from staffed convenience center locations in Craven County. Enclosed is a copy of our request for proposals.

We shall hold a mandatory pre-proposal conference on February 12, 2016 at 10:00 a.m. in the Commissioners' Room of the Craven County Administration Building at 406 Craven Street, New Bern, NC, to review this Request for Proposal (RFP) and to answer any questions raised.

Proposals shall be due on Friday, March 4, 2016, at 10:00 a.m. in the Commissioners' Room of the Craven County Administration Building located at 406 Craven Street, New Bern, NC. Proposals shall be opened and publicly read at that time; time will be determined by the clock in said room.

Sincerely,

Rusty Cotton, Solid Waste Director

xc: Craven County Board of Commissioners

NOTICE TO BIDDERS

Craven County will open proposals for the hauling of Solid Waste and Recyclable materials from staffed convenience center locations in Craven County on at 10:00 a.m. in the Commissioners' Room located in the Craven County Administration Building at 406 Craven Street, New Bern, North Carolina.

Proposal information may be picked up at the Solid Waste Department office located at the same address from 8:00 a.m. to 5:00 p.m. Monday through Friday or on the County's web site, www.cravencountync.gov.

The Craven County Board of Commissioners reserves the right to reject any or all proposals for any reason.

I. INFORMATION TO BIDDERS

A. Notice is hereby given that Craven County is requesting proposals for the hauling of Solid Waste and Recyclable materials from convenience center locations in Craven County. Proposal documents may be picked up from the Solid Waste Department office during regular office hours of 8:00 a.m. to 5:00 p.m., Monday through Friday or seen on the County's web site, www.cravencountync.gov.

Proposals shall be opened at 10:00 a.m. in the Craven County Administration Building, 406 Craven Street, New Bern, North Carolina in the County Commissioners' Meeting Room.

B. Any inquiries or clarifications regarding specifications shall be directed to Rusty Cotton, Solid Waste Director (rcotton@cravencountync.gov) at the Craven County Administration Building, 406 Craven Street, New Bern, North Carolina, 28560; (252)636-6659 in writing no later than 12:00 noon on February 19, 2016. Proposals will be received until 10:00 a.m. Friday, March 4, 2016. The envelope shall be sealed and clearly marked "Sealed Proposal for Hauling Recyclable Materials to Be Opened at 10:00 a.m. Friday, March 4, 2016." If forwarded by mail, bidder shall enclose a sealed envelope containing the proposals in another envelope addressed as specified. Proposals shall be opened at that time in the Commissioners' Meeting Room in the Craven County Administration Building.

C. Any addenda to these proposal documents shall be issued in writing and posted on the County's website (www.cravencountync.gov). No oral statements, explanations or commitments by whoever shall be of any effect unless incorporated in the addenda. After opening, the proposals shall be reviewed and submitted to the appropriate County officials for consideration. Responses will be posted on the County's website (www.cravencountync.gov)

II. PROPOSAL REQUIREMENTS AND CONDITIONS

A. PROPOSAL FORMS

Proposals must be presented on the proposal forms attached to these specifications in a sealed envelope and mailed or delivered to: Rusty Cotton, Solid Waste Director, Craven County Administration Building, 406 Craven Street, New Bern, North Carolina 28560 and plainly marked "Sealed Proposal for Hauling Recyclable Materials to Be Opened at 10:00 a.m. Friday, March 4, 2016." Proposals received after the above time and date shall not be accepted.

B.SIGNATURES

All appropriate forms must be signed by a duly authorized person.

C.REJECTION OF PROPOSALS

Craven County reserves the right to reject any or all proposals for any reason and to waive any informality or technicality in the proposal

III.GENERAL HAULING PROPOSAL REQUIREMENTS

Craven County is seeking proposals for the hauling of Solid Waste and Recyclable materials from seven convenience center locations in Craven County. They are currently located in the general vicinity of Fort Barnwell, Vanceboro, Sanders Lane, Bridgeton, Monettes, Hickman Hill and Highway 101. . For your benefit we have attached a copy of a map generally showing the locations of these sites. Also, we have attached a list of the mileages from these sites to the different disposal sites that will be required. Another attachment that we are providing is a list of the number of hauls that were made and tonnages collected over the last twelve months. This data is the best that is available, but we do not insure the accuracy of these numbers. These totals are not guaranteed for the future but simply given to you for informational purposes only. You will note on our proposal forms that we are interested in per haul rates from each of the convenience center locations to the disposal sites for the materials that are being specified. The County reserves the right to relocate Convenience Sites and in so doing would renegotiate the contract equability and in good faith.

A.TERM OF CONTRACT

The term of the contract will be through June 30, 2021 assuming that the performance of the contractor is satisfactory. The County has the option to extend the contract for an additional three years.

B. RESPONSIBILITIES OF THE CONTRACTOR

1. The contractor shall; provide all containers noted.

2. Collect and transport mixed recyclables (glass – clear, green and brown, aluminum products, steel cans and plastics- #1 and #2 including colored HDPE), cardboard and mixed paper – including but not necessarily limited to newspaper, magazines, junk mail and paperboard products. The contractor must demonstrate to the County how the following items shall be recycled and what revenue, if any, shall be realized by the County: cardboard, mixed paper and mixed recyclables. The contractor shall provide (30) thirty cubic yard covered containers for mixed paper and cardboard collected for recycling. The contractor shall provide (30) cubic yard covered containers for mixed recyclables and cardboard. Landfilling of these materials shall be prohibited except for material contamination. The contractor must report any landfilling of materials in writing, with detail to Craven County, attention Solid Waste Director.
3. Dispose of items required to be landfilled at the Coastal Regional Solid Waste Landfill located at Tuscarora in Craven County. For hours of operation, contact (252)633-1564. The Landfill is not open on Sundays. The County shall be responsible for any disposal fee.
4. Transport scrap metal to location designated by County. All revenue from the sale of the scrap metal shall be received by the County.
5. Transport yard waste to the Coastal Regional Solid Waste Management Authority. The County shall be responsible for any disposal fee.
6. Provide a local telephone contact whereby the convenience center operators can call when containers need to be pulled.
7. Maintain containers in a neat and sanitary manner. Craven County shall maintain buildings, miscellaneous equipment and compactors. All container maintenance remains the responsibility of the contractor.
8. It is a requirement that the contractor must give quotes for hauling from all sites.
9. The contractor shall be “on call” and shall not be permitted to pull boxes until notified by the site operator or other County staff person.
10. When the contractor is notified to pull a full box, then the response time expected shall be no more than one (1) hour but not to exceed two (2) hours from notification. At the time Contractor removes the full box, an empty box must be left in its place.
11. The contractor shall provide backup equipment or service as required to assure removal of boxes without delays, taking into consideration seasonal fluctuations.
12. The contractor is required to provide water-proof containers designed for the collection of waste motor oil, lead-acid batteries and used oil filters at each site. The minimum capacity of the waste motor oil container shall be approximately 250 gallons.

The minimum capacity for lead-acid battery containment shall accommodate 100 average car batteries.

These containers shall sit in a containment system capable of handling the volume of material in the container. These containers must be lockable. The contractor must supply the County with appropriate disposal documentation for these items. The services described in this section shall be provided to the County at no charge.

13. Transportation - All open top roll off containers hauled by Contractor from Convenience Sites shall have sufficient tarping and additional strapping over tarps and shall be so contained that spilling or blowing of contents is prevented. In the event of any spillage, Contractor shall immediately clean up the material, If Contractor cannot haul a roll off container from a Convenience Site due to over packing from convenience site staff, and Contractor shall immediately call County to remedy the situation.

14. The contractor shall be required to provide the following boxes at the following sites, in addition to what has previously been mentioned.

Monettes

Compactor for cardboard

Hickman Hill

Provided by Contractor

- 1-30 cubic yard covered container for mixed recyclables
- 2-30 cubic yard open top container for scrap metal
- 2-30 cubic yard open top containers for C&D
- 1-30 cubic yard covered container for mixed paper
- 1-42 cubic yard covered container for cardboard
- 1-40 cubic yard open top container for bulk waste
- 1-40 cubic yard open top for yard waste

Provided by County

Compactor for cardboard

Highway 101

Provided by Contractor

1-30 cubic yard covered container for mixed recyclables
2-30 cubic yard open top container for scrap metal
2-30 cubic yard open top container for bulk waste
1-30 cubic yard open top for yard waste
1-30 cubic yard open top containers for C&D
1-30 cubic yard covered container for mixed paper
1-40 cubic yard covered container for cardboard

Provided by County

Compactor for cardboard

Bridgeton

Provided by Contractor

1-30 cubic yard covered container for mixed recyclables
2-30 cubic yard open top container for scrap metal
2-30 cubic yard open top container for bulk waste
2-30 cubic yard open top for yard waste
2-30 cubic yard open top containers for C&D
1-30 cubic yard covered container for mixed paper
1-40 cubic yard covered container for cardboard

Provided by County

Compactor for cardboard

Fort Barnwell

Provided by Contractor

1-30 cubic yard covered container for mixed recyclables
1-30 cubic yard open top container for scrap metal
1-30 cubic yard open top container for bulk waste
1-30 cubic yard open top for yard waste
1-30 cubic yard open top containers for C&D
1-40 cubic yard covered container for cardboard
1-40 cubic yard covered container for mixed paper

Vanceboro

Provided by Contractor

- 1-30 cubic yard covered container for mixed recyclables
- 1-30 cubic yard open top container for scrap metal
- 2-30 cubic yard open top container for bulk waste
- 1-30 cubic yard open top for yard waste
- 1-30 cubic yard open top containers for C&D
- 1-30 cubic yard covered container for mixed paper
- 1-40 cubic yard covered container for cardboard

Provided by County

- Compactor for cardboard

Sanders Lane

Provided by Contractor

- 1-30 cubic yard covered container for mixed recyclables
- 2-30 cubic yard open top container for scrap metal
- 2-30 cubic yard open top container for bulk waste
- 2-30 cubic yard open top for yard waste
- 2-30 cubic yard open top containers for C&D
- 1-30 cubic yard covered container for mixed paper
- 1-40 cubic yard covered container for cardboard

Provided by County

- Compactor for cardboard

The contractor shall provide all additional containers needed for change out at convenience centers as containers reach capacity and at times when the landfill is closed and convenience centers are open. Full containers shall need to be stored on property provided by the contractor. Currently, storage for approximately 21 containers is required on Sunday. The property on which the containers are stored must be fenced or locked to prevent unauthorized access.

The contractor shall provide waste oil, battery and used oil filter collection containers designed to meet all OSHA standards. These containers shall sit in a containment system capable of handling the volume of material in the container. The contractor has the responsibility for disposal of these items at an approved location. The contractor must provide basic information to the County about the designated end use for these items.

If there are any questions concerning exact locations of convenience center, contact Rusty Cotton, Solid Waste Director at (252)636-6659.

C. TERMS AND CONDITIONS

1. Insurance

The Contractor shall carry and keep current workers' compensation and unemployment insurance as required by the State of North Carolina. General liability and automobile liability coverage will be maintained with not less than the following limits:

Bodily Injury Liability	\$ 500,000 each person \$ 500,000 each occurrence
Property Damage Liability	\$ 100,000 each occurrence
Comprehensive General Liability	\$1,000,000 each occurrence
Excess Liability (Bodily Injury & Personal Damage Combined)	\$1,000,000

Contractor agrees to furnish proof of existence of such coverage to Craven County at least ten (10) days prior to the effective date of this contract and from time to time thereafter as County reasonably may request. County shall be designated as an additional insured on all insurance policies providing the required coverages for purposes of the contract. Each such policy shall contain a clause that the insurer shall not cancel or modify the insurance coverage without first giving County a minimum of ten (10) days advance written notice.

2. Bid Bond

No proposal shall be considered or accepted unless at the time of its filing a bid deposit shall accompany the same. This deposit may take the form of cash, a certified check, cashiers check or bond and must be in the amount of at least five percent (5%) of the annual bid. The bond must be "executed by a corporate surety licensed under the laws of North Carolina to execute such bonds," conditioned that the surety shall upon demand forthwith make payment to the County upon said bond if the bidder fails to execute the contract within ten (10) days after formal written notification or fails to give satisfactory surety as required herein. Bidders shall comply with this requirement carefully and specifically. Bank money orders, uncertified checks, telegraphic money orders, etc. are not acceptable as bid deposits. Bid deposits of unsuccessful bidders shall be returned when Craven County awards the contract.

3. Performance

Contractor shall furnish a Performance Bond in the form established by (NC GS 44A-33), executed by a surety company authorized to do business in North Carolina. Each bond shall be in the amount of \$250,000. Bonds shall be executed using the current forms prepared by the American Institute of Architects (AIA). All bonds shall be countersigned by an authorized agent of the bonding company who is licensed to do business in North Carolina. Contractor can opt to provide an Irrevocable Letter of Credit issued by a Bank licensed in the State of North Carolina in lieu of bonds. This letter must remain in effect until the contract is complete and must allow the County to draw an amount equal to \$250,000 for performance of the contract.

Premiums for the Bonds or Irrevocable Letter of Credit described above shall be paid by the Contractor. A certificate from the surety or bank showing that the premiums are paid in full shall accompany the Bonds or Irrevocable Letter of Credit. The surety on the bond shall be a duly authorized corporate surety authorized to do business in the State of North Carolina.

In case of default by the Contractor, the County may procure services from other sources and hold the Contractor responsible for any excess cost occasioned thereby.

The Contractor's performance and payment bonds or other forms of guarantee or collateral assets shall be used to remediate this additional cost and burden to the County.

4.CPI Adjustments

Starting July 1, 2017 all compensation rates payable to the Contractor under this agreement shall be adjusted annually to reflect the amount of the increase or decrease in the Consumer Price Index as measured by the United States Department of Labor, Bureau of Labor Statistics, South Region—All Urban Consumers (CPI-U). The rate shall be adjusted on an annual basis to be effective July 1 of each year.

The first adjustment shall be for the fiscal year beginning July 1, 2017 and shall use the January 2016 CPI as compared to the January 2017 CPI to compute the adjustment, with the rate being adjusted by a percentage equal to the percentage change in the CPI. The January CPI is being used to allow for County's budgeting process.

5.Performance and Termination

The Contractor shall perform its services in full compliance with the terms of the contract. The Contractor shall provide written responses to the County following formal complaints filed by citizens or County staff. The written response shall include the nature of the complaint, the Site (if applicable), and the measures the Contractor is taking to remediate the problems.

The County shall have the right to terminate its' contract to successful bidder if the Contractor is in material default of its obligations hereunder. Excessive complaints (more than ten documented in a month) or the inability to achieve proposed minimum net haul weights or equipment in disrepair for more than five days or inaction on safety hazards or disregard for site cleanliness or disrespect for County residents and staff shall constitute material default. In such event, the County shall give written notice specifying the default. Upon receipt of notice of termination for default, the Contractor shall have the right to correct or cure such default within five (5) calendar days. If the Contractor corrects/cures the default condition within five days, then no termination shall result from such default. If no cure occurs within five days, this contract will be terminated in sixty (60) calendar days.

D.RESPONSIBILITIES OF THE COUNTY

The County shall furnish all required convenience center sites.

Convenience center hours will be:

Tuesday, Thursday & Saturday	7:00 a.m. – 6:30 p.m.
Sunday	1:00 p.m. – 6:30 p.m.

The County shall furnish compactors at all convenience sites with the exception of Fort Barnwell convenience site. Contractor shall be required to provide its' own change out boxes needed when it removes full boxes.

Contractor shall invoice County for service rendered within five calendar days following the end of the month. County shall pay Contractor, on or before the 30th day following the end of the billing period.

County shall be responsible for reimbursing the contractor for the tipping fees for material hauled to the Tuscarora Landfill. Craven County shall not reimburse the hauler at a rate greater than the fee charged at these facilities. The tipping fee at the Tuscarora Landfill beginning July 1, 2015 is \$ 40 per ton for construction debris and bulk waste and \$15.00 per ton for yard debris.

The County shall provide the contractor access to the sites on days and hours that the sites are not open. The Contractor shall only pull the full boxes that have been designated by the site attendant or county staff.

Bid Form #6
Bid Deposit and Addenda Acknowledgement Form
Craven County Convenience Centers

The undersigned has included cash, a certified check or cashier check on a bank or trust company insured by the Federal Deposit Insurance Corporation, or a bid bond executed by a surety company licensed under the laws of North Carolina, in an amount equal to not less than five percent (5%) of the annual bid.

In addition, the undersigned agrees that in the case of failure on his part to execute the contract and the bond within ten consecutive calendar days after written notice being given on the award of contract, the check, cash or bid bond accompanying this bid shall be paid into the funds of the Craven County account set aside for this project, as liquidated damages for such failure; otherwise, the check, cash or bid bond accompanying this proposal shall be returned to the undersigned.

STATE OF _____

AFFIDAVIT - BID RESPONSE TO CRAVEN COUNTY

CRAVEN COUNTY Convenience Centers Hauling Agreement

COUNTY OF _____

I, _____(the individual attesting below), being duly authorized by and on behalf of _____ (the entity submitting a bid in relation hereto, and hereinafter referred to as "Contractor") after first being duly sworn hereby swear or affirm as follows:

1. Contractor understands that E-Verify is the federal E-Verify program operated by the United States Department of Homeland Security and other federal agencies, or any successor or equivalent program used to verify the work authorization of newly hired employees pursuant to federal law in accordance with NCGS §64-25(5).
2. Contractor understands that Contractors Must Use E-Verify. Each contractor, after hiring an employee to work in the United States, shall verify the work authorization of the employee through E-Verify in accordance with NCGS§64-26(a).
3. Contractor is a person, business entity, or other organization that transacts business in this State and that employs 25 or more employees in this State. (mark Yes or No).
 - a. YES _____, or
 - b. NO _____
4. In the event that the Contractor marked "yes" in the preceding paragraph, then Contractor hereby affirmatively represents that it has complied with the requirements of E-Verify and NCGS §64-25(5) as to all **current employees and subcontractors**, and that it will immediately do so in the future as to any **new employees or new subcontractors**.

5. Contractor's subcontractors comply with E-Verify, and if Contractor is the winning bidder on this project Contractor will ensure compliance with E-Verify by any subcontractors subsequently hired by Contractor.
