From the State Board of Elections Website:

A North Carolina resident who is qualified to register and vote may register In-Person and vote at a One-Stop site in the person’s county of residence during the One-Stop Absentee Voting period. The process is sometimes referred to as “In-Person Registration” and it is important to recognize that it is not permitted on Election Day. To use this process, a citizen must go to a One-Stop site in their county of residence during One Stop Early Voting and fill out a voter registration application and provide proof of residency by showing the elections official an appropriate form of identification with the citizen’s current name and current address. The new registrant may vote ONLY at a One-Stop Absentee Voting site of the county of registration during One Stop Absentee Voting and NOT on Election Day.
