

Take a Walk for Asthma Fun Walk and Health Expo

Date: September 25, 2004
Location: Twin Rivers Mall
Exhibits open at 10 am

The Craven-Pamlico Asthma Coalition has been working with area Childcare Centers to help children with asthma.

We have provided nebulizers so that children can get the treatment they need at your center

We provided the *A is for Asthma* videos, supplies and Parent Education Packs from the American Lung Association and AstraZeneca

We've provided Asthma Training so you and your staff know what to do when one of your children are experiencing breathing problems.

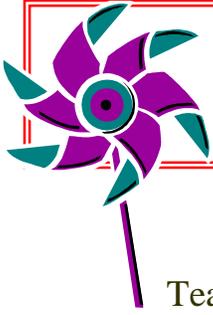

We are having our fund raiser on September 25, 2004 at Twin Rivers Mall. Please put out a jar and collect money at your center for our Coalition so that we can provide even better services to your children with asthma. Thank you!

The Child Care Center that earns the most money will win a Waldenbooks Gift Certificate!

Please also consider forming a team. Team Members earning \$50.00 will get an Official Walk T-Shirt. Register your team by returning a completed Team Captain Registration Form.

Breathing Should Be Easy!
