

Airport Zone

Permitted Uses

- Agriculture, Game preserve or reservation
- Roadways and parking areas
- Landscape nursery, cemetery, and low intensity or open recreation areas
- Pipeline and Underground utility wire
- Airports and accessory uses
- Governmental Uses
- **All existing structures and their use would be allowed to remain**
- For any use not specifically listed as a “permitted use”, an individual would have the right to request a conditional use permit from the Planning Board. Following a review of the application by the Planning Board and the Craven Regional Airport, the Planning Board shall advise the Board of County Commissioners as to whether or not the use is compatible with future expansion of airport infrastructure and safe airport operations. A conditional use permit may be approved or denied by the Board of Commissioners based on these criteria.
- No multi-family dwellings and manufactured home parks will be considered for conditional use permits within the Airport zone
