All long distance medical appointments must be set up no later than 12 noon two business days prior to your appointment. All cancellations must be called in the day before your appointment by 12 noon.

Everyone that has an appointment on these days will be transported together and all will be transported back together—be prepared for an all day stay. We suggest you pack a lunch, snacks, and drinks. If you **DO NOT** ride the CARTS van back from your appointment, the return trip will be counted as a “No Show”. If you get three (3) No Shows, you are subject to be suspended from riding on CARTS for a period of time.
