Road Addition Request

The Board was requested to add Paradise Drive in the Paradise Acres Subdivision, located within Twp. 5, to the state maintenance system and to adopt a standard SR-2 Road Addition Resolution. Commissioner Allen moved to add Paradise Drive in the Paradise Acres Subdivision to the state maintenance system and to adopt a standard SR-2 Road Addition Resolution, as requested, seconded by Commissioner McCabe and unanimously carried in a roll call vote.

EMS BUDGET AMENDMENT

Commissioner Tyson inquired, relative to the EMS budget amendment, if the emergency plan is reviewed every year. County Manager, Harold Blizzard, responded that it is reviewed every 3-5 years. Commissioner Sisk moved to adopt the following budget amendment, as requested, seconded by Commissioner McCabe and unanimously carried in a roll call vote.

EMS

101-2301-349-36-00	\$3,000.00	101-2301-410-40-00	\$3,000.00

TOTAL	\$3,000.00	TOTAT	\$3,000.00

Justification: Holland Consultants – EOP Update – Scope of work more in-depth than originally designed and quoted.

AIRPORT REQUEST

Airport Director, Tom Braaten, announced the award of an Airport Improvement Grant. He stated that due to continuing resolutions, there will most likely be a 2-part grant again this year. The first part will be 25-30%. A signed acceptance of the grant is due to the FAA by the 20th of February.

The bulk of the \$739,504 funding package will go towards repayment of the loan to the County in the amount of \$550,000, a taxiway painting project, and an environmental assessment to allow for clearance of the safety area on runway 04. Commissioner Sampson moved to approve acceptance of the grant and authorize the Chairman to execute the documents when they are received, seconded by Commissioner McCabe and unanimously carried.

TAX MATTER

County Manager, Harold Blizzard, announced the Tax matter discussion would be deferred due to incomplete paperwork.

APPOINTMENTS

Craven Aging Planning Board

The Board was advised of the expiring term of Lois Pugh on the Craven Aging Planning Board. Ms. Pugh was initially appointed in 2000 and has served less than ten years. Commissioner Sisk nominated Lois Pugh for reappointment. There were no additional nominations, and Ms. Pugh was reappointed by acclamation.

Farmers Market Board

The Board was advised of the expiring term of Larry Ipock on the Farmers Market Board. His initial term began in February, 2006. Commissioner Jones nominated Larry Ipock for reappointment. There were no additional nominations, and Mr. Ipock was reappointed by acclamation.

Fire Tax Commissioners

The Board was advised of the expiring terms of Craig Arthur (Twp. 6), first appointed in 2007, and Adrian Becton (Twp. 5), first appointed in 2001, as Fire Tax Commissioners. Commissioner McCabe nominated Adrian Becton and Craig Arthur for reappointment, seconded by Commissioner Allen. There being no other nominations, Mr. Becton and Mr. Arthur were reappointed by acclamation.

EMS Advisory Committee

Emergency Services Director, Stanley Kite, requested that John Harrell be appointed to replace Debra Banks on the EMS Advisory Committee. Commissioner Morris moved to appoint John Harrell. There being no other nominations, Mr. Harrell was appointed by acclamation.

Cove City Library

The Board was advised of the resignation of Joann Ipock on the Cove City Library Board. Commissioner McCabe nominated Debbie Kirkman to fill Ms. Ipock's term. There being no other nominations, Ms. Kirkman was appointed by acclamation.

CPC Regional Library Board

The Board was advised that Joann Ipock also served as one of Craven County's representatives to the Craven Pamlico Carteret Regional Library, and that her resignation from the Cove City Library makes her ineligible to continue serving in this capacity. Commissioner McCabe nominated Commissioner Morris, who serves on the Vanceboro Library Board, for appointment to the Regional Library Board. There were no other nominations and Commissioner Morris was appointed by acclamation.

Parks & Recreation Advisory Committee

Recreation Director, Jan Parker, received notice that John Williams and Donald Ipock were resigning from the Parks & Recreation Advisory Committee. Ms. Parker also requested that an appointment be made to replace Virginia Gaddy, who has not been attending. Commissioner McCabe nominated Dicky Fairburn to replace Virginia Gaddy. Commissioner Tyson nominated Tim Coates to replace John Williams and Commissioner Morris nominated Dennis Smith to replace Donald Ipock. There being no other nominations, Mr. Fairburn, Mr. Coates and Mr. Smith were appointed by acclamation.

COUNTY ATTORNEY'S REPORT*Re-Designation of Old Highway 70 to US 70A Request*

At the November 17, 2008 Board of Commissioners meeting Planning Director, Don Baumgardner, advised the Board that on September 12, 2008, the Planning Department mailed out petitions to all property owners on Old Highway 70 (SR 1005) asking if they agree or disagree with changing the name of Old Highway 70 to US 70A or any other NCDOT approved designation, based on a request for such designation by Mr. & Mrs. Ralph Potter. Only 39% of total property owners indicated that they are in favor of the road name change. Craven County's ordinance requires 75% of total property owners along a road to agree with such a change.

After the update was given and a consensus could not be reached, the Board requested that staff and the County Attorney continue to see if the Potters' request could be further reviewed.

County Attorney, Jim Hicks, reported that he had met with Mr. and Mrs. Potter and County staff to discuss further questions that they had regarding the requirement to change addresses if NCDOT should agree to change the road designation from SR 1005 to US 70A, while retaining the road name, Old Highway 70. Mr. Hicks has determined that there is a distinction between state route designation and County road names. It

appears that state route re-designation does not require a County road name change, and therefore, it seems unlikely that residents along the road would be required to change their addresses.

He explained that if the Board wishes to move forward, a public hearing should be scheduled, although not required, to receive comments regarding changing the state route designation from SR 1005 to US 70A. After the public hearing the Board could consider adoption of a resolution requesting that NCDOT re-designate SR 1005 to US 70A or any other designation approved by NCDOT.

Commissioner Allen moved to allow Mr. Potter to speak, seconded by Commissioner McCabe. During discussion Commissioner Sisk asked that a time limit be set. Commissioner Jones imposed a five minute limit. The motion to allow Mr. Potter to speak carried unanimously. Mr. Potter indicated that two municipalities involved, Dover and Cove City, have already adopted resolutions. After Craven County adopts a resolution, one must be adopted by Jones County, as well as the City of New Bern. Commissioner Allen moved to set a public hearing for March 2, 2009 at 7:00 p.m., seconded by Commissioner Sisk and unanimously carried.

EAST CAROLINA BEHAVIOIRAL HEALTH (LOCAL MANAGEMENT ENTITY)

Roy Wilson, Executive Director, and Joy Futrell, Finance Officer, presented the East Carolina Behavioral Health Annual Report. Mr. Wilson cited the highlights of accomplishments in new programs made available to the service area and stability of the ECHB budget. Commissioner Morris inquired about the current population of the LME. Mr. Wilson responded that the current population is 397,000. Commissioner Sampson asked how ECBH is doing in keeping the mentally retarded out of jails. Mr. Wilson responded that the goal is to have people living and working in their home communities. Commissioner Sisk commented that the economic stimulus package approved by Congress has a significant allocation for Medicaid and asked how much can LME's expect to receive. Ms. Futrell responded that it is not yet clear.

COUNTY MANAGER'S REPORT

County Manager, Harold Blizzard, reported that several Commissioners and staff from Craven County attended the Coastal Insurance Symposium on February 10. The symposium was also the first official meeting of NC 20 Inc., a non-profit action group formed to help 20 coastal counties oppose homeowner insurance rate increases in eastern North Carolina. The main purposes for the meeting were to discuss homeowner insurance rates, and to solicit participation in the NC 20 group to halt the rate increases. At its February 2, 2009 meeting, the Board of Commissioners approved adoption of a resolution opposing the insurance rate increases. Commissioners who attended the symposium indicated that Craven County should consider becoming a member of NC 20. Staff discussed Craven County's potential involvement with this organization, and the extent of that involvement. Commissioner Tyson expressed the opinion that the goal of NC 20 is to keep the 20 coastal counties informed on all issues affecting the region, for example, new CAMA rules and insurance rates. The cost to join NC 20 is \$100; however, the amount asked to join the lawsuit is \$10,000. Commissioner Tyson recommended joining NC 20 and directed staff to get clarity on the organization and what the membership entails.

Joint Strike Fighters

Mr. Blizzard presented a proposed Resolution in Support of Siting F-35 Joint Strike Fighters at MCAS Cherry Point. Commissioner Tyson commented that these aircraft will replace Harriers, and will not increase the negative environmental impact on the community. Commissioner Sampson commented that the siting of the Joint Strike Fighters would also help secure jobs in the area. Commissioner Allen moved to approve the following Resolution in Support of Siting F-35 Joint Strike Fighers at MCAS Cherry Point, seconded by Commissioner McCabe and unanimously carried.

WHEREAS, the U.S. Navy is initiating preparation of an Environmental Impact Statement ("EIS") for the deployment of 13 squadrons of F-35B Joint Strike Fighters ("JSFs") to be home based at either MCAS Cherry Point, North Carolina or MCAS Beaufort, South Carolina; and

WHEREAS, the F-35B is the Marine Corps version of our Nation's future jet fighter fleet and is designed with short takeoff/vertical landing ("STOVL") capability and can achieve a speed of 1,200 miles per hour; and

The F-35B JSF will replace the AV-8B Harrier and EA-6B Prowler squadrons presently stationed at MCAS Cherry Point; and

WHEREAS, the Navy has requested comments from the local community by no later than February 16, 2009, concerning issues that should be addressed in the EIS; and

WHEREAS, the planned deployment involves up to 176 advanced fighter aircraft that will generate an estimated \$350 million in economic impact to Craven and surrounding counties; and

WHEREAS, it is critically important for the Navy to be informed about the extent of community support for MCAS Cherry Point as the principal home base location for the F-35B JSFs;

THEREFORE, BE IT RESOLVED that the Craven County Board of Commissioners endorses MCAS Cherry Point as the principal home base location for the F-35B JSFs and urges the U.S. Navy to give full consideration to the unwavering, long-term support of the Craven County government and community to MCAS Cherry Point and the U.S. Marine Corps.

BE IT FURTHER RESOLVED that Craven County Government pledges to use all its available resources to assist the U.S. Navy and Marine Corps in planning for and providing the necessary community infrastructure, facilities and services in support of the deployment of F-35B squadrons at MCAS Cherry Point.

Adopted this 16th day of February, 2009

COMMISSIONERS' REPORTS

Commissioner Morris commented on emails he received seeking support for a proposed NC Constitutional amendment defining "marriage" as being between a man and a woman, which would preclude interpretation otherwise of current statutes by lower court judges. He asked staff to look into this matter.

He commented on state legislator's consideration of a bill concerning animal shelters being required to administer individual injections to euthanize animals versus using gas. He stated that such practice would be more traumatic to employees, as well as a safety risk.

He stated that a foreclosure attorney has been working on property in his area that hasn't had taxes paid in over 30 years, and inquired about additional fees being assessed by foreclosure attorney, Mark Bardill, for handling this foreclosure. He asserted the opinion that the fee paid to Mr. Bardill should be the same for all foreclosures, with proceedings requiring more work being balanced by those requiring minimal work. He asked that Mr. Bardill's fee structure be reviewed prior to renewing his contract.

Commissioner Morris commented that a tight County budget is recognized, and employees have been asked to restrict spending. Stating that employees should not be required to make sacrifices the Commissioners are not willing to make, he recommended eliminating Commissioners' travel until there is a better grasp on the status of the County's budget. He suggested that Commissioners use the monthly travel stipend for travel that is absolutely necessary. Commissioner Morris made a motion to eliminate Commissioners' travel unless absolutely necessary, seconded by Commissioner Tyson.

During discussion, Commissioner Sampson commented that when Commissioners travel, the objective is to gain connections and information that benefit the County. Commissioner Morris agreed that trips are justifiable, but the money may not be available. Commissioner Jones suggested that two members attend standard conferences to represent the County and to have a voting delegate, perhaps one from each party. The original motion was amended to that effect. Commissioner Allen commented that if only two representatives attend, all pertinent workshops may not get covered. Commissioner Sisk moved to defer consideration of the motion, seconded by Commissioner McCabe and carried with five (5) "Ayes", there being two (2) "Nays" from Commissioners Jones and Morris.

Commissioner Allen continued to congratulate Havelock High School Wrestling Team on their progress. He stated that the NACo President has scheduled commentary on Public Health reform. One forum is scheduled in Raleigh on February 19. He announced that he will be there for three nights, with the first two nights being paid for by NCACC and the third night paid for by the Foundation for Healthy Carolinians.

Commissioner Sisk inquired how the ankle bracelets for the inmates are disbursed. County Manager, Harold Blizzard, stated that they have not been purchased yet. He said the Sheriff has brought in representatives and equipment for testing, but has found some problems that are still being resolved. The program has not yet been instituted in Craven County.

Commissioner Sampson commented on the increasing gas prices and said he hopes that the stimulus package reaches those in need of help.

Commissioner Tyson asked staff to find out from the Sheriff if there are any illegal aliens in County facilities.

Commissioner Jones announced that he will reintroduce the Commissioner travel issue at the Board's next meeting.

At 10:15 a.m. Commissioner Morris moved to go into closed session, seconded by Commissioner McCabe for the purpose of discussing an economic development matter, pursuant to N.C.G.S. 143-318.11(a)(4), after a five minute recess. The motion was unanimously carried.

At 11:00 a.m. the Board was declared back in regular session. Attorney, Arey Grady, announced that no action had been taken.

At 11:00 a.m., Commissioner McCabe moved to adjourn, seconded by Commissioner Sisk and unanimously carried.
