REQUEST TO AMEND PERSONNEL RESOLUTION

Article VIII. Leave of Absence

Overview: A request to amend the Personnel Resolution to establish a furlough policy was presented to the Board of Commissioners for consideration on November 18, 2013. The Board requested the inclusion of language to require the County Manager to consult with the Board of Commissioners prior to placing employees on furlough. The furlough policy draft has been amended as directed and consideration of approval to amend the Personnel Resolution is requested.

Background: During the federal government shutdown in October of 2013, counties faced uncertainty regarding available funding for federally funded county positions and furloughs may have been necessary had the federal government not ended the shutdown. Though furloughs were not necessary for October 2013, Craven County does not have a furlough policy permitting the County Manager to place employees in a leave without pay status should a similar experience occur in the future. A furlough policy is proposed to grant the County Manager authority to place employees on furlough in situations of insufficient funding, lack of work, or other non-disciplinary reasons.

Board Action: Consider adoption of recommended amendment to Personnel Resolution.

Current Policy Language

No current policy language. This is a new proposed policy.

Proposed Policy Language

Article VIII. Leave of Absence

36. Furloughs The County Manager, in consultation with the Board of Commissioners, has the authority to place employees on furlough, a non-grievable temporary leave without pay status, in situations of insufficient funding, lack of work, or other non-disciplinary reasons. Job performance and department need may be taken into account when determining which employees will be placed on furlough.

Employee benefit availability and accrual will be administered in accordance with Section 23. Leave Without Pay – Retention and Continuation of Benefits with the exception that employees are not required to exhaust all forms of paid leave prior to being placed on leave without pay for furlough purposes.

Employees are required to use all compensatory time during a furlough period prior to being placed on leave without pay status. Employees are permitted to use other forms of paid leave, with the exception of sick leave, to prevent or decrease the number of leave without pay hours. A furlough period is not to exceed six (6) months.

Employees will be notified when the furlough period ends and employees are to return to work on the designated return date. Failure to return to work on the designated return date will be considered an unauthorized absence from work and employees may be subject to disciplinary action.

Why Do You Want to Serve?

I believe that our biggest challenges and opportunities are one in the same, "OUR VOICE." To the members of any board, we must work towards a collective voice. To our community, we must strive to be the voice they trust. To the press and legislators, we must become the voice they hear. I have over 25 years experience in innovative business and educational leadership. My involvement in education began in 1970 when I graduated from John Thomas Barber High School in New Bern. It is truly an opportunity to give back to a county that has given me so much. I want to serve on the 1)ABC Board, 2)Carolina East Regional Medical Authority, or 3)Juvenile Crime Prevention Council because I want input into our future. I want to be active and involved. These are exciting times for our county. Representing the voice of our community empowers all of us to make a difference. To see these three boards develop, grow, and have a positive impact in the community makes serving on any of them worth the while.
