"Let me win, but if I cannot win, let me be brave in the attempt."

In The Spotlight!—Ed Harrison

Edward is 34 years old and is looking forward to his 35th birthday in November. He has an older brother and sister, who have blessed him with 4 nephews and a niece. He went to the Global Messenger training in 1990 and an updated training in 2000 in Raleigh. He takes his Global Messenger job seriously. He has participated in State Basketball, State Cycling and State Swimming events. He is especially proud of coming in first place at the State Bowling Competition this past year. He has had some volunteer experiences in Special Olympics activities involving younger athletes. Ed has an 11 year-old cousin that participates in Special Olympics. He really enjoys helping when she has competitions. Ed is active in his church, as well as doing the "man of the house" duties (his father passed away about two and-a-half years ago). He has invited new acquaintances to participate in Special Olympic events and even found a coach for the basketball team. He recently purchased some new amplifiers so he could be a more effective deejay for the ARC socials. He loves that job, too.
