

Craven County Water Meter Replacement Agreement

This agreement made and entered into between the Craven County Water and Sewer Department, a municipal corporation, Party of the First Part, herein referred to as "Department" and

_____, whose address is

(Full Legal Name)

_____, Party of the Second Part, herein referred

(Address, City, State, Zip)

to as "The Applicant".

The Applicant agrees to cover the sum of Three Hundred Fifty Dollars (\$350.00) for a new meter replacement, should there be any damages caused to the meter. If the meter should be damaged by any third-party company/person, the customer will be held responsible for the cost and should plan an arrangement with that company/person, for any reimbursements. The Department will then schedule for someone to install a replacement meter.
