Precinct Election Officials Guidelines for Recommendations Term: August - August

Appointments:

August Party Chair chief judge and judge recommendations are due to the CBE
August CBE (county board of elections) appoint chief judges and judges

The precinct official plays a critical role in a successfully-run election. This individual is the face of the election to the voters and is the first to give the impression of what experience the voter will have voting.

Craven County has the potential to host three (3) or more elections in even numbered years and two (2) elections in odd numbered years. Elections are always held on a Tuesday and the polls are open to voters from 6:30 am until 7:30 pm. All Precinct Officials shall be at the polls before they open and remain until after the polls have closed and all work is complete. The day before the election Precinct Officials shall set-up the polling locations and review procedures.

Each precinct/polling location must be staffed with: a Chief Judge, a Republican Judge, and a Democratic Judge. Additional Assistants are staffed based on type of election and past voter turnout.

The Chief Judge and two Judges are appointed by the County Board of Elections based on recommendations from the County Democratic party chair, County Republican party chair and the Craven County Board of Elections Director for a two-year term beginning in August of odd-numbered years.

-Customarily Craven County Board of Elections has appointed Chief Judges from the same party as the current NC Governor. This is not mandated by NC General Statutes.
-Craven County Board of Elections has appointed Chief Judges and Judges. Assistants are selected from recommendations from the parties, Precinct Officials, applications, etc. by the Board of Elections and appointed just for Election Days.
