## Helpful Hints

Empty & rinse all cans, bottles and containers. They don't have to be spotless but clean containers help eliminate odor and mess from your storage space.

Remove lids from plastic bottles before recycling.

It is not necessary to remove labels.

Steel can lids should be put in the empty can. All other lids & caps are not accepted in the recycling bin.

Step on your plastic containers. Flattened plastic takes up less space in your recycling bin.

Recyclables need to be placed out for collection before 7:00 a.m. on your scheduled collection day. If your collection day falls on a holiday observed by this program your recyclables will be picked up the following day. Observed holidays include Thanksgiving Day, Christmas Day and New Year's Day. Visit our web page or call this office for confirmation of any schedule changes. Recycling Contractor has from 7:00 am till 7:00 pm, on day of collection, to service recycle carts.

## Electronics Recycling

Residents can take computer equipment and televisions to the Monettes Convenience Site. Look for signage towards the back of the property for disposal.

Mobile Electronics Trailer visits each of the other sites twice a year, as follows:

January & July-----Vanceboro Site  
February & August----Highway 101 Site  
March & September--Sanders Land Site  
April & October-----Croatan Site  
May & November-----Ft. Barnwell Site  
June & December----Bridgeton Site

## PAINT EXCHANGE

Bring us your unwanted cans of paint (NO LEAD BASED PAINT PLEASE). The paint will be categorized and offered free of charge to the public. The paint is accepted at all sites but is distributed at the Bridgeton Convenience Center. The Paint Exchange is open from Easter through the weekend after Thanksgiving. This schedule is subject to change based on seasonal temperatures. Check out our web page or call to verify opening and closing dates.

Recyclables will be collected curbside in your 95 gallon recycling cart. Only accepted material inside the cart will be collected. Anything outside the cart WILL NOT be collected. Extra items can be taken to any of the seven (7) convenience sites. Cart placement should be at least 10 feet from mail boxes, vehicles, street lights and electrical posts. Container opening should be facing the street with handles and wheels facing your home.
