Transitional Sheltering Assistance (TSA)

- Survivors who do not have the option to return home and are unable to have their housing needs met through insurance, congregate shelters, or rental assistance provided by FEMA or another agency (federal, state or voluntary) may be eligible for TSA.
- Under TSA, FEMA pays for a free hotel stay for displaced survivors and their families for a limited time.
- Survivors will be notified of their eligibility through an automated phone call, text message, and/or email depending upon the method of communication they selected when they registered for assistance. Or call the FEMA helpline at **800-621-FEMA** (voice, 711 or VRS) or **800-462-7585** (TTY).
- To locate participating hotels, visit DisasterAssistance.gov, scroll down to the Quick Links section, and click on “***Transitional Sheltering Assistance Hotel Locator.***”
- As of Oct. 1, there were **345 households** (1,081 total household members) checked into TSA-participating hotels. TSA is a ***sheltering*** option using participating hotels/motels to help fill a gap ***until*** survivors identify short or long-term ***housing*** solutions.
- TSA is available to eligible survivors whose pre-disaster primary residence is in one of the following ***nine*** counties: ***Brunswick, Carteret, Craven, Columbus, Jones, New Hanover, Onslow, Pender or Robeson.***
- Continued eligibility is determined on an individual basis. When eligibility for a particular household ends, those survivors will be notified seven days prior to their checkout date.
- FEMA provides rental assistance, home repair assistance and other forms of housing to help eligible survivors transition from TSA to a short or long-term ***housing*** option.
- **As one sign of progress, many displaced survivors are leaving TSA and moving into apartments using FEMA rental assistance.** They may use FEMA rent money for security deposits, rent and the cost of essential utilities (such as gas or water). The grants may not be used to pay for separate cable or Internet bills. If a landlord requires a security deposit, survivors can use up to one month of FEMA rent money to cover it.

Disaster Legal Services

- Free legal services are available for low-income survivors of Hurricane Florence. Attorneys may be able to assist survivors with disaster-related legal matters.
