Disclaimer: Our community is blessed with so many resources. There is a challenge that exist in getting a portal that will list them all. This directory is an effort to assist in starting an exhaustive community service directory with input from other agencies and other directories from around the region. This is an initiative of Choice Neighborhoods People Planning Task Forces with cooperation from the City of New Bern Housing Authority. For more information or updates, dial 633-0800 extension 26.

www.nc211.org is an easy and accessible number to remember, a three-digit telephone that connects persons to important community services to meet every day needs and the immediate needs of people in crisis. A call to NC 211 is free, confidential, and available all day, every day and in all languages.

Coastal Coalition for Substance Abuse Prevention (CCSAP) is a five county coalition covering Carteret, Craven, Jones, Onslow and Pamlico counties. Each county has a [Substance Abuse Prevention Task Force](#) working within its local communities. As evidence of each county's hard work, CCSAP was awarded a Drug Free Communities grant through the Office of National Drug Control Policy. Our goals are reducing underage drinking and preventing misuse and abuse of prescription medications for our united vision: creating communities free from substance abuse!

Reviving Lives Ministries

Address: 919 George Street, New Bern, NC

Phone: (252) 624-9826

Website: www.revivinglivesministries.com

Description: Reviving Lives Ministries of New Bern (RLM) assists men and women who are dealing with the devastating consequences of substance abuse and addiction to find and maintain recovery. RLM provides separate clean/sober and substance-free residential home environments

for both men and women, and a structured, faith-based 12 Step Residential Recovery Program. Participants live within a structured environment, have responsibilities within the houses, are engaged in faith-based 12 Step Classes, daily AA/NA meetings, and required to meet certain educational, vocational, spiritual, wellness and life skills training. Participants may remain in the program for up to two years as long as they continue to adhere to the rules of the program, work consistently on substance abuse issues and assist in paying for program services.
