### Helpful Hints

- ✘ Empty & rinse all cans, bottles and containers. They don't have to be spotless but clean containers help eliminate odor and mess from your storage space.
- ✘ Remove lids from plastic bottles before recycling.
- ✘ It is not necessary to remove labels.
- ✘ Steel can lids should be put in the empty can. All other lids & caps are not accepted in the recycling bin.
- ✘ Step on your plastic containers. Flattened plastic takes up less space in your recycling bin.
- ✘ A heavy object placed on top of your recyclables will keep them from blowing away on a windy day.
- ✘ Paint cans must be empty and completely dry with lids removed.

Recyclables need to be placed out for collection before 7:00 a.m. on your scheduled collection day. If your collection day falls on a holiday observed by this program your recyclables will be picked up the following day. Observed holidays include, but are not limited to, Thanksgiving Day, Christmas Day and New Year's Day. Please call this office for confirmation of any schedule changes.

### Electronics Recycling

Residents can take computer equipment and televisions to the Monettes Convenience Site. Look for signage towards the back of the property for disposal. Also Staples stores are taking computers and office equipment

### PAINT EXCHANGE

Bring us your unwanted cans of paint (NO LEAD BASED PAINT PLEASE). The paint will be categorized and offered free of charge to the public. The paint is accepted at all sites but is distributed at the Bridgeton Convenience Center. The Paint Exchange is open from the first week in April through the weekend after Thanksgiving. This schedule is subject to change based on seasonal temperatures. Please call to verify opening and closing dates.
