Absentee-by-Mail:

Voters may submit an Absentee-by-Mail request prior to the schedule established by law for the Board of Elections to mail out a ballot. Voters should be cautious to allow adequate time for the passage of their request and ballot through the mail. The Board of Elections will begin mailing ballots 50 days prior to Election Day for Primaries and General Elections AND 30 days prior for municipal elections. Again, it is in the best interest of the voter to submit a request for an Absentee-by-mail ballot as early as possible.

Requesting a ballot to be sent to you by mail

If it is more convenient for you to vote by mail, you may request an absentee ballot by mail by filling out the **required State Absentee Request form** which is found on our webpage, in our office, or the office can mail you one.

Request forms have to be requested and signed by the voter or a near relative can request for the voter. **Note: A Power of Attorney is not allowed to sign for a voter or request for a voter.**

The last day an absentee-by-mail ballot request can be received and processed is 5:00 pm on the last Tuesday before the election.

Once your request is received, it will be processed and your ballot will be mailed.

NOTE: A request form must be received for each election that a voter desires to vote an Absentee-by-mail ballot.

Military/Overseas voters go to www.FVAP.gov for more information on voting Absentee.
